Pamantasan ng Lungsod ng Valenzuela (PLV) – Tertiary Education **(Oct 2022 – Present)**
- Bachelor of Science Major in Information Technology

Pamantasan ng Lungsod ng Valenzuela (PLV) – Higher Secondary Education **(Oct 2020 – Jun 2022)**
- Science, Technology, Engineering and Mathematics (STEM) Education

TECHNICAL SKILLS

- Programming — Java and C#
- Web Development — HTML, CSS, Javascript, and PHP
- Database Management — Mysql and Firebase
- Others — Ms Office

PROJECTS AND EXPERRIENCE

Kamaynikasyon – Capstone Project | *Technical Lead* **(Jan 2025 – Present)**
- Led development of a mobile educational game teaching Filipino Sign Language using real-time hand gesture recognition via computer vision.
- Built and integrated Firebase systems for user authentication, classroom grouping, progress tracking, uses Python, MediaPipe, and Tensorflow to train models to detect hand gestures.
- Designed minigames and classroom features including gesture-based interactions, leaderboards, student profiles, and teacher dashboards.

DJMtech – Software Dev & Testing | *Backend Programmer* **(Jan 2025 – May 2025)**
- Developed backend functionality for Module 5: Order Tracking, including order details, cancellation, returns, and order status updates.
- Collaborated with a classroom team using GitHub for version control and workflow coordination.
- Contributed to a simple e-commerce website built with HTML, CSS, Javascript, PHP, and MySQL.

Cascadia Spring Resort – Event Driven Prog | *Backend Programmer* **(Nov 2024 – Dec 2024)**
- Developed a resort booking website with functionality for viewing and booking available rooms using HTML, CSS, Javascript, PHP, and MySQL
- Implemented an admin panel for managing room availability, bookings, and customer information.

6th Sense – Game Dev | *Backend Programmer* **(Nov 2024 – Dec 2024)**
- Developed a third-person 3d Unity game where players navigate through the darkness using sonar-like sound pulses to detect obstacles. Implemented game mechanics including auto-forward movement, pulse cooldown systems, and spatial audio cues to enhance navigation and tension.
- Won People's Choice at PLV Game Con 2025.

ACHIEVEMENTS

Dean's List, Pamantasan ng Lungsod ng Valenzuela: 1st Year – First Sem and Second Sem, 3rd Year – First Sem
